Site Instruction: This instruction is not a variation to the Subcontract. Should, however, the execution of the instruction result in additional costs which, in the opinion of the Trade Contractor would justify an application for a variation, then the Trade Contractor must submit such a claim within three (3) days of receipt of this instruction. Failure to do so will signify acceptance of this instruction without cost.

Instruction

Instructions to be detailed with reference to attachments as necessary

Hii

2.1.3: The Contractor is entitled to require the Subcontractor at the Subcontractor's own cost from time to time to reschedule the performance of the whole or any part of the Subcontract Works including returning to the site on not less than 24 hours' notice to recommence the Subcontract Works. The Subcontractor is entitled to an extension of time if completion of the Subcontract Works is delayed by any such requirement. The Subcontractor acknowledges that

any such requirement by the Contractor is not a breach of the Subcontract and the Contractor is not liable for any damages, costs and expenses suffered or incurred by the Subcontractor in complying with the requirement.

2.4.1: The Subcontractor must carry out the Subcontract Works in accordance with any directions given by the Contractor from time to time. If any direction by the Contractor is not given in writing, it must be confirmed in writing within 3 days of the direction. If the Contractor considers there is an emergency, it may give an oral direction, which must be acted on immediately by the Subcontractor and confirmed in writing by the Contractor within 24 hours.
