Quote Notes

**\*\*\*No Hydraulic and Electrical Plans. No Structural Plans provided. Please allow for possible variation. Also, please read the bulleted items below for your guidance.**

Thank you for the opportunity to provide this quotation. Should you require any further information please feel free to contact 1300 743 779. We'll look forward to working with you!

If you don't have a current active account established with us you will be required to provide credit card details to commence these services.

- Due to the nature of our work there are many variables that may arise during construction that may require us to alter, increase or decrease our termite management requirements. Should any additional products and/or services be required by us to complete the system to meet the necessary building codes, additional charges above the estimated cost will be incurred.
- Areas that you choose not to protect are your responsibility and therefore may not appear on the certification paperwork we provide.
- Our minimum call out fee is \$170.00+GST. Should components of your service not meet our minimum call out fee of \$170+GST, we reserve the right to charge a minimum job levy over and above the estimated costs.
- We require 24 hours prior notice for all bookings. Same day bookings will incur a surcharge of \$100.00+GST.
- Should we attend your service booking and your construction site is at a stage where we cannot install our products, we reserve the right to charge a site attendance fee of \$60+GST.
- Should we attend your service booking and you request our technicians to wait, we reserve the right to charge you a full hourly rate of \$150+GST.
- This quote is valid for 3 months from the date listed above.
- Please refer to our website [www.flick-anticimex.com.au](http://www.flick-anticimex.com.au) for further terms and conditions of trade.
