Site Instruction: This instruction is not a variation to the Subcontract. Should, however, the execution of the instruction result in additional costs which, in the opinion of the Trade Contractor would justify an application for a variation, then the Trade Contractor must submit such a claim within three (3) days of receipt of this instruction. Failure to do so will signify acceptance of this instruction without cost.

Instruction

Instructions to be detailed with reference to attachments as necessary

Ok

2.4.2: If the Subcontractor wishes to claim that a direction, although not stated to be a variation, involves a variation, it must lodge written notice with the Contractor to that effect within 3 days of receipt of the direction otherwise any subsequent claim that a variation is involved is barred absolutely. Without limiting this clause, the Contractor may concede in a particular instance or instances that a variation is involved without waiving the requirement for such

written notice to be given in all other instances.
